

MICHIGAN AUTOMOTIVE TECHNIQUES CORP.

Here's how to order the Monza Mirage:

1. Using a Chevrolet Motor Division - Passenger Car Order Form GSD-840, the order is to be completed in the normal manner, but with the following exceptions:
 - a) Each vehicle must be ordered on a separate GSD-840.
 - b) Model - must be 1HR07.
 - c) Order Type - Enter the desired order type S, T or 3 and add to it the letters "MM." For example, "SMM" for sold, "3MM" for normal stock, etc.
 - d) Color & Trim - The Mirage package is available in Antique White only (code 11-11). All 1977 Monza 2+2 interiors are available. Enter 11-11 in the Exterior Color section and any desired interior shown in the trim section of the Dealer Order Guide for the Monza 2+2 Hatchback Coupe.
 - e) Quick-Spec Changes - Under the Quick-Spec Addition space, you must plus RPO ZX1.

It is recommended (but not mandatory) to maximize the distinctive visual appearance and ride characteristics of the package and car that the following options be ordered:

- D35 - Sport Mirrors
- QK2 - BR70-13/C White Lettered Radial Tires
- U14 - Special Instrumentation
- N31 - Sport Steering Wheel
- F41 - Sport Suspension
- LG3 - 5.0 Litre 2-bbl. V-8 Engine

CAUTION: The following Chevrolet options are not compatible and must not be ordered:

- B84 - Body Side Moldings
- B93 - Door Edge Guards
- B96 - Wheel Opening Moldings
- Z01 - Spyder Equipment Package
- Z02 - Spyder Appearance Package

2. Complete the Michigan Automotive Techniques Corporation's Special Order Form in its entirety. Include authorized dealer signature.

3. Please mail the original (White Copy) Michigan Automotive Techniques Corporation Order Form directly to Michigan Automotive Techniques Corporation in Grand Rapids, Michigan. The original of the Chevrolet Order Form can be forwarded directly to the Distribution Center. The Yellow Copy of the Michigan Automotive Techniques Corporation Order Form is to be sent to your Zone Office so the Chevrolet Zone Office can have a record of these special orders. Dealer Copy of the Chevrolet Order Form and the Pink Copy of the Michigan Automotive Techniques Corporation Order Form are for your files.

ADDITIONAL INFORMATION:

INSTALLATION

Monza Mirage front air dam will be shipped loose for dealer installation to prevent possible transit damage. Installation instructions will be included. All other Mirage components will be installed by Michigan Automotive Techniques Corporation.

DEALER BILLING

Chevrolet Motor Division will bill the dealer in the normal manner for the unit and its regular Chevrolet RPO options, plus freight charges. Upon completion of the Automotive Techniques modifications, the unit is returned to the General Motors Vehicle Delivery System and the cost for the Mirage modification is billed directly to the dealer. These invoices are numbered and contain the dealer identification numbers. Terms from Michigan Automotive Techniques Corporation are net upon receipt of the invoice.

PRODUCTION TIME

After the unit is accepted for production at the Assembly Plant and produced, the unit will be shipped directly to Michigan Automotive Techniques Corporation's plant in Grand Rapids, Michigan. The package will be installed (except front air dam) and the unit returned to General Motors Vehicle Delivery System. It is estimated that an additional six to ten days transit time and three days production time will be required.

It should be noted that these units will be handled under a "ship through" procedure, which means that they will be invoiced to the dealer at the time of release to the carrier for shipment to Michigan Automotive Techniques Corporation Assembly Plant. Thus, the entire time from release to the carrier for shipment to Michigan Automotive Techniques Corporation until receipt of the vehicle at the dealership will fall within the normal "interest free" period.

WARRANTY

Michigan Automotive Techniques Corporation matches the General Motors warranty covering defects on workmanship and materials for a period of 12 months or 12,000 miles (whichever comes first) except painted components are guaranteed for 90 days or 4,000 miles in accordance with current General Motors policy. Warranty claims are made directly to Michigan Automotive Techniques Corporation and should be accompanied by a copy of the customer repair order and other pertinent information including a vehicle identification number, delivery date, mileage, selling dealer, etc. Michigan Automotive Techniques Corporation reserves the option to request return of all warranty replacement parts and will not honor claims where evidence of misuse, neglect, incomplete owner information or accident is apparent. All warranty parts will be shipped prepaid.

SERVICE PARTS

Michigan Automotive Techniques Corporation maintains an ample supply of service and replacement parts and practices a "same day" shipment policy on all orders received prior to 12:00 noon, Grand Rapids time. Michigan Automotive Techniques Corporation will accept collect calls on all parts or package component orders. Dealers will be invoiced F.O.B. Grand Rapids, Michigan for all non-warranty orders.

All illustrations and specifications in this literature are based on the latest product information available at the time of publication approval. The right is reserved to make changes at any time without notice in prices, colors, materials, equipment, specifications and models and to discontinue production. Michigan Automotive Techniques Corporation, Grand Rapids, Michigan 49508.
